### MASSIVE CAPABILITIES

Alco manufactures basic to complex components utilizing our powerful range of equipment. Our primary production machines combined with our decades of expertise can produce the most complicated part that you require.

Multiple Spindle Screw Machines

- Diameters from 1/4 to 3"
- Max 6" in length

Computer Numerical Control Machines (CNC)

- Diameters ¼ to 4"
- Max 10" in length

Rotary Transfer Machines

- Diameters from ½ to 2 ½"
- Max 6" in length

## **ENGINEERING EXPERTISE**

# From Plans To Products

One of Alco's core strengths is the ability to design and manufacture solutions to solve your company's challenges. We've been doing this for over 50 years with leading companies who have relied on Alco for decades for their machining needs.

# THE ALCO ADVANTAGE

### Why we're the leaders

#### **DOMESTIC MANUFACTURER**

- 5 US locations
- "Centers of Excellence" facilities with expert machinists
- Smaller inventory requirements
- Shorter delivery times and quick response times

#### LOW-COST PRODUCER

- Alco is a true low-cost producer
- Leveraging our large-scale buying power of raw materials
- With lean manufacturing principals
- Our customers benefit from our purchasing and manufacturing initiatives

#### **STABILITY**

- Financially sound with a diversified portfolio and range of customers
- Continuous investment in expansion and equipment
- Over 5 decades
- · A history of growth through acquisition

#### **CUSTOMER AWARDED**

- · Award winning machining and service
- Recognized for excellence by our global customers
- · Quality, customer service and excellent inventory flexibility

#### CAPACITY

- Strength in our size to deliver quality precision parts on-time
- Over 450K sqft of space across 5 locations
- Over 400 machines producing 135 million parts/yr.

# **WORKING WITH ALCO**

- **FAST QUOTING**
- **INVENTORY PROGRAMS**
- FLEXIBILITY WITH YOUR REQUIREMENTS RESPONSIVE, AWARD-WINNING SERVICE

### INDUSTRIES WE SERVE

**HYDRAULIC** 

ELECTRICAL

LOW-PRESSURE GAS

AIR/WATER

### Other Industries Served

- INDUSTRIAL
- MEDICAL
- AUTOMOTIVE
- AEROSPACE
- TELECOMMUNICATIONS
- SPORTING GOODS
- OIL & GAS
- SAFETY EQUIPMENT & MORE

### WHAT OUR CUSTOMERS SAY

You did a wonderful job in the interpretation of my information. Your delivery performance was excellent!

The technical expertise you provided optimized the manufacturing process for our new fitting improved our cost to the market.

#### MEMBERSHIPS & CERTIFICATIONS

Alco has 5 manufacturing locations strategically located across the Great Lakes Region in Michigan, Ohio and New York
